

EXCELLENCE WHICH *ENHANCES* YOUR LEADING EDGE

Our name is descriptive of our only business mission – we are professionals responding to your live messaging service needs. We began serving the metropolitan area in 1956 and have continuously remained under the same local management and ownership. The telephone staff uses state of the art digital trunk capacity and the most up-to-date messaging system available in North America to meet your needs.

50 years later our staff serves you from a call center designed to meet your 21st century needs, enhanced by a staff with over 100 years of cumulative experience.

We are proud to be one of the 2006 top 25 Under 25[®] companies recognized by the Kansas City Small Business Monthly.

We are **“PEOPLE ANSWERING PEOPLE”** from diverse publics of individuals, professionals, and industries. Each of your callers has a special need, and we respond as your representative. Our staff is experienced and accustomed to the unusual.

So before you make your decision, talk to the others then consider the advantages, the experience, the commitment to excellence, and the **“PEOPLE ANSWERING PEOPLE.”**

EXCELLENCE WHICH COMPLIMENTS YOUR LEADING EDGE

*The most important need of any caller is your **ACCESSIBILITY** at **THEIR** convenience.*

*When you are away from your telephone, callers will **NOT** succeed in reaching you, but if they can leave a message, they do succeed, and at **YOUR** convenience.*

DO YOU NEED ANSWERPRO?

*The successful and profitable business operates in a competitive environment that demands every effort to insure a **LEADING EDGE**:*

- * Are large portions of your resources allocated just to get your telephone to ring?
- * Are your most important calls from prospective and current customers who require immediate and personal attention?
- * Is the telephone your first source of new business – every call is a potential customer.
- * Is your profession person-to-person oriented- the business of communicating with others?
- * Does your business require after-hours service levels that guarantee efficient customer contact when service is needed immediately?
- * Does your responsibility require availability when callers need to contact you?
- * Is your telephone important for inquiries, incoming leads and potential sales?

- * Are you concerned with equipment breakdowns, building or residential security?

When you can respond **“YES”** to any of these questions you need **AnswerPro**. We have a time-honored tradition of **EXCELLENCE** in responding to the needs of people concerned with insuring they have the **LEADING EDGE!**

ANSWERPRO IS THE LEADING EDGE

Before you decide, you must carefully weigh some important considerations. You are choosing more than equipment; you are choosing people – people who will represent you to your public.

Others try to copy us because AnswerPro has the record of excellence that can only result from five decades of experience!

- * You get a thoroughly trained and professional staff.
- * You decide how we respond to your callers, and the telephone can be answered anyway you wish.
- * You can change and revise your instructions as your needs change.
- * Your costs are based on your level of use.
- * You can take advantage of the most reliable paging service in the metropolitan area.
- * There is no limit to the number of calls we will take on your behalf – no line is too busy.
- * You can use your telephone and we can still answer while you are talking on the line.

- * Service hours are designed to meet your needs.
- * There are no installation or connection charges
- * You get “people” who care about your callers and their needs.

So before you make your decision, talk to the others then consider the advantages, the experience, the commitment to excellence and the **“PEOPLE ANSWERING PEOPLE.”**

WHAT TO EXPECT FROM ANSWERPRO

*There is no set-up charge to initiate service. There is no charge to update or change your standing instructions. There are no extra charges for service on **Holidays**. There are no contracts and only one (1) month minimum billing for the first month. The monthly charges for live operator service are based on the time the operator spends servicing your account.*

Your services may be enhanced with personalized voice mail greetings handling unlimited calls and unlimited time, providing those with urgent needs an option to transfer to a live operator for assistance. There are options of text messaging to a pager or cellular phone, daily email or fax recap of messages. Handle your office overflow at your busiest times. We can provide you with detailed reports about the use of our services and we are HIPAA compliant for medical professionals. Virtual receptionist with call transfer ability and seminar event registration service is available.

Our ability is only limited by your need. Services are designed to meet your specific needs.
